ESTABLISHMENT,
NOS. 5 and 7 John Street,
(Two doors from Broadway),
NEW-YORK,
AND
No. 47 North Eighth Street,
PHILADELPHIA.

Only one Office in N. Y.; no Office in Brooklyn.

The **Dyeing of Silk, Woolen, and Fancy Goods** (including the re-dyeing and cleansing of Garments, such as Silk, Satin, Crape, Cloth, Merino, Velvet, and other DRESSES, SHAWLS, &c., &c.), has for a long term of years occupied the close attention of the undersigned at Staten Island. For the last 10 YEARS it has been their EXCLUSIVE business, for which they have built up a new establishment at Staten Island, now the most extensive for this business in the country, and, as far as known, in the world. All the improved appliances and apparatus of the art have been here brought into requisition; the most competent and expert of Foreign Dyers and Chemists have been induced to work in their Establishment, and for large fees, to impart the important modern discoveries of European Dyers. They have also, at present, correspondence with an experienced scientific Chemist and Dyer in Elberfeld, on the Rhine (in the neighborhood of which are the most important Dyeing Establishments of Europe), who is engaged to transmit to us any new discoveries or methods which may there be brought out.

The friends and customers of the undersigned, some of whom have been such for nearly *Thirty-seven Years*, are aware of the great improvement and steady advance which has been made and sustained, and can bear witness that in the last few years many great difficulties have been overcome, so that in very many styles of Silk, Satin, Merinos, &c., they die and re-finish very nearly (in some cases quite) to resemble new goods.

Especial effort and expense have been devoted to the Dyeing and Re-finishing Satin and Taffeta Ribbons, and they are now enabled to do them in a style new in this country, and altogether superior.

As a natural result of these extraordinary efforts and liberal expenditure, they believe themselves to be far in advance of all their competitors, and by strict, unwearyed perseverance, mean to continue so, assured that the community can readily discover merit, and will ever (as heretofore) sustain it.

LACE and MUSLIN CURTAINS, CARPETS, RUGS, TABLE COVERS, &c., CLEANED and RE-FINISHED. DAMASK and MOREEN CURTAINS beautifully DYED. Also, RIBBONS, TRIMMINGS, GALLOONS, GIMPS, etc., etc.

CRAPE SHAWLS dyed in the most brilliant shades of Scarlet, Crimson, &c., or the more delicate and grave colors. Broche and Crape Shawls cleaned in the best manner.

GOODS RECEIVED AND RETURNED BY EXPRESS.

THE ALEXANDRE ORGAN

Is a reed instrument, corresponding in power and compass to the ordinary 16 feet pipe Organ. All who have any knowledge of the Piano can perform upon this instrument without difficulty, the key-board being the same as that of the Piano. In size it is from 3 to 3 1/2 feet high, and from 2 1/2 to 4 feet wide. It is elegant in form and solid in construction. It is more easily removed than the upright Piano, and possesses the remarkable advantage of seldom if ever getting out of tune.

Issues "One Year Policies for Cash," at very low rates.

HANSON'S IMPROVED WATER RAM.

THESE Rams have been tested and approved of by thousands, in all sections of the country, having obtained the first premiums at the American Institute Fairs, in the years 1855, 1856 and 1857; they require very little attention to keep them in working order, and will raise 50 per cent, more water, in a *given time*, than any other Ram known.

HANSON'S DEEP WELL, OR DISTANCE PUMP.

This is a double action engine-pump, that may be applied to the deepest Wells, and yet may be worked at any distance from the Well, or at any distance from a Spring, below the ordinary suction depth, requiring neither pump-rods, chains, nor buckets, and is admirably adapted to mining purposes.

Hanson's Self-Acting Pressure Pump,

For raising Water to the Upper Stories of City Houses, where the City pressure is not sufficient; dispensing with fire or labor, and requiring only a few drops of oil, once a week, to keep in perfect order. Any quantity of reference may be had on application.

HANSON'S MOVABLE FULCRUM PUMP.

This is a double action Brass Force Pump, the valves of which may be taken out and cleaned in the space of two minutes, and can be altered for a man or child in a quarter of that time, being the most durable and easy working pump in present use. All these several pumps may be seen in operation at the undersigned place of business.

DR. LELAND'S
ANTI-RHEUMATIC BAND,
THE ONLY KNOWN REMEDY FOR
RHEUMATISM, GOUT, & NEURALGIA;
ALSO, A SURE CURE FOR ALL
MERCURIALL DISEASES.

OFFICE, 409 BROADWAY, NEW-YORK.

G. SMITH & CO.,
SOLE PROPRIETORS.

DR. LELAND'S ANTI-RHEUMATIC BANDS will be found a perfect, safe, reliable, and effective remedy, *never failing to effect a PERFECT CURE*, even in the *most aggravated forms* of the disease. Moderate cases are cured in a few days, without drugging the system with noxious and poisonous minerals, or scarifying the flesh with blisters.

The medicinal curative properties are contained in a conveniently arranged BAND, which is worn around the body, without injury to the most delicate persons. These ingredients are of a highly AROMATIC and VOLATILE NATURE, AND ARE TAKEN UP BY ABSORPTION THROUGH THE PORES OF THE SKIN, HAVING THUS A DIRECT ACTION UPON THE BLOOD, removing its acrid and acid properties, and restoring it to its normal healthy tone and standard.

DR. LELAND has analyzed and investigated the character of the blood in these diseases, and has compounded a combination of remedies *capable of being readily absorbed*, for the purpose of changing the deleterious character of the blood, and restoring those elements that are deficient.

The curative properties being taken up by ABSORPTION, are CARRIED DIRECTLY INTO THE CIRCULATION without going through the process of digestion, which would tend not only to impair and destroy their remedial properties, but if taken internally in sufficient quantities to produce the desired effect, would tend to derange the digestive organs. A few days' trial of these BANDS will convince the most sceptical of their infallibility in obtaining the end for which they are designed, viz.: **EFFECTING A PERFECT CURE, AND RESTORING THE PARTS AFFLICTED TO A HEALTHY CONDITION.** Numberless testimonials of their efficacy could be presented, but conscious that wherever tried they will effectually proclaim their own merits, we content ourselves with presenting a few certificates on the other side of the page, more to show the range of their curative action than anything else.

ANTI-RHEUMATIC BAND. G. SMITH & CO., 409 BROADWAY.

RHEUMATISM.

Either chronic or acute, in whatever stage or form it may present itself, readily yields to the powerful curative properties of these BANDS, and generally, after a few days' persistence in their use, the most confirmed Rheumatic throws away his crutches, and stands erect with healthy limbs and unstiffened joints, the rejuvenated blood courses through the arteries with renewed elasticity, and the rose of health blooms upon the lately sallow and sickly cheek. Rheumatic sufferers are assured that this is no typical illusion: Dr. LELAND'S ANTI-RHEUMATIC BAND will assuredly prove their sheet-anchor of hope in this distressing and painful malady.

GOUT.

This enemy of the luxurious and epicurean aristocracy has never been successfully combated until the discovery of Dr. LELAND'S ANTI-RHEUMATIC BANDS. The acid and acidulous properties of the blood induced by an epicurean diet, and vinous potations, are effectually counteracted and neutralized by the judicious combination of the remedies contained in these BANDS. The pampered appetite and impaired digestion acquire a new tone and vigor, and the sluggish blood, freed from its impurities, is restored to new life and energy. To all suffering from this disease, we can conscientiously say, that in Dr. LELAND'S BANDS they have a safe and effective remedy, and one that will not interfere with their daily avocations and pleasures.

NEURALGIA.

There is no disease that affects the human organism more painfully than this: having its seat in the nerves themselves, the very centre of sensation, the agony produced is oftentimes almost beyond the power of human endurance. These diseases of the nerves have their origin in a diseased state of the blood, and the only proper remedy consists, not in deadening and stupefying the system with opiates and narcotics, but in restoring to the blood its normal properties. This is effected by means of Dr. LELAND'S ANTI-RHEUMATIC BAND, which carries directly to the blood its lacking constituents, and thereby restoring a healthy action to the diseased nervous system.

MERCURIAL DISEASES.

We desire to call the particular attention of all those suffering from the evil effects of MERCURY, to the powerful ANTI-MERCURIAL properties of the valuable remedies contained in Dr. Leland's Bands. They completely neutralize the Mercurial poison, and expel it from the system. We can confidently assure those whose bones are rotting, and whose bodies are covered with sores, from the abuse of MERCURY, that these BANDS will exercise a specific influence in expelling the noxious mineral from the system.

Why, then, will you continue to suffer, when, for the small sum charged for the BAND, you may, instead of the leprous and pitiable object, with diseased bones and tottering frame, become what GOD and NATURE intended you to be, A MAN, with health blooming upon your cheek, with an upright frame and healthy organism.

DIRECTIONS FOR USE.—Buckle the Band close around the body, placing the linen side next to the skin. The first application should be for about twelve hours, then remove for the same length of time; again apply for twenty-four hours, and remove as before, allowing it to remain longer each time applied. After the first few applications, the Band may be worn constantly, until the disease is entirely removed. When not in use, keep it inclosed in the case, to exclude the air. The bowels should be kept open with some light laxatives, such as Magnesia or Rhubarb. The body should be kept warm and the feet dry, and exposure and sudden changes avoided.

Priev. \$2, inclosed in a neat case, and to be had of Druggists generally, or can be sent by mail (postage 20 cents) or express, with full directions for use, to any part of the country, from the principal office, 409 Broadway, New-York.

TESTIMONIALS.

I was cured of the Rheumatism by simply carrying the compound of Dr. LELAND'S ANTI-RHEUMATIC BAND in my pocket; its effect was magical.

January, 1860.

L. G. ABBOTT, 149 WATER STREET.

For twenty years I have been grievously afflicted with Chronic Rheumatism. Last fall I was recommended by a friend, who had been relieved, to try your ANTI-RHEUMATIC BAND. It is now over eight months since I first put it on, and I am happy to state to you that I have not felt a rheumatic pain since the first three weeks of its trial.

C. G. SPAULDING.

CORNS, BUNIONS, CALOSITIES, CLUB AND INVERTED TOE NAILS,

AND ALL OTHER

DISEASES OF THE HUMAN FEET, TREATED SUCCESSFULLY,

WITHOUT PAIN OR LOSS OF BLOOD, BY

DR. J. BRIGGS,

Surgeon Chiropodist,

No. 212 BROADWAY, NEW-YORK,

Over Knob's Hat Store, cor. Fulton St., near Barnum's Museum.

OFFICE HOURS FROM 9 A. M. TO 7 P. M.

 Operations performed in a few moments, and the boot or shoe can be worn immediately, without the least inconvenience to the patient.

Dr. Briggs has devoted fifteen years to the treatment of Hard and Soft Corns, Bunions, Calosities, Club and Inverted Toe Nails, etc., and believes that he comprehends their nature and treatment. His success in past years has been such as to warrant him in promising to all who may confide in his experience and skill, great and satisfactory benefit. Dr. B. does not cut the corn and apply caustic or acid, but easily and skillfully separates the corn from the natural flesh, without causing as much pain as a person would experience in passing their corns. As a Chiropodist, Dr. B. acknowledges no superior. He thoroughly understands the art of Chiropody. He has Certificates from eminent Clergymen, Statesmen, Professional men, Merchants and others of the highest respectability, as to his successful method of treating corns, bunions, calosities, bad nails, etc., hundreds of which can be seen by calling at his office, 212 Broadway, Rooms 2 and 3. Separate apartment for ladies, retired, and nicely fitted up.

In addition he has a general list, comprising 75,000 names, of ladies and gentlemen for whom he has operated, between Bangor, Maine, and Buffalo, New-York.

 Ladies and gentlemen attended at their residences when desired.

STEINWAY & SONS'

GOLD

MEDAL

PATENT OVERSTRUNG Grand and Square PIANOS,

Are now considered the best Pianos manufactured.

These Instruments have taken sixteen First Premiums—Gold and Silver Medals—within the LAST FOUR YEARS, in competition with Pianos of the best makers of New-York, Boston, Philadelphia, and Baltimore.

Among the judges were GOTTSCHALK, WM. MASON, H. A. WOLLENHAUPT, and other musical celebrities.

STEINWAY & SONS do not refer to artists who were in this country many years ago, or to certificates and testimonials given a long time since, as it is a well known fact that such important improvements have been made in Pianos, QUITE RECENTLY, that many makers, whose Instruments were justly considered to rank among the best years ago, cannot by any means claim the same position at the present time.

We subjoin the following certificate, given within the last six months, by nearly all the leading and most prominent artists and musicians now residing in this country:

"The undersigned having personally examined and practically tested the improvement in Grand Pianos, invented by H. STEINWAY, in which the covered strings are overstrung above those remaining, do hereby certify:

"1. That as the result of the said improvement, the voice of a Piano is greatly improved in quality, quantity, and power.

"2. The sound of STEINWAY's improvement is much more even, less harsh, stronger, and much better prolonged, than that realized in any other Piano with which we are acquainted.

"3. The undersigned regard the improvement of MR. STEINWAY as most novel, ingenious, and important. No Piano of similar construction has ever been known or used, so far as the undersigned know or believe."

By comparing the report for the present year with former reports, it will be perceived that the Company is largely advancing in strength and power, and its history thus far proves that the insured saves at least two thirds of the premium paid in cash to Stock Companies, while, at the same time, it has paid nearly Fifty Thousand Dollars in losses, and has accumulated a large cash surplus.
