The Dyeing of Silk, Woolen and Fancy Goods, (including the re-dyeing and cleansing of garments, such as Silks, Satin, Crape, Cloth, Merino, Velvet, and other DRESSES SHAWLS, &c., &c., &c.), has, for a long term of years, occupied the close attention of the undersigned at Staten Island. For the last fifteen years it has been their exclusive business, for which they have built up a new establishment at Staten Island, now the most extensive for this business in the country, and as far as known, in the world. All the improved appliances and apparatus of the art have been here brought into requisition; the most competent and expert of Foreign Dyers and Chemists have been induced to work in their establishment, and for large fees, to impart the important modern discoveries of European Dyers. They have also, at present, correspondence with an experienced scientific Chemist and Dyer in Elberfield on the Rhine (in the neighborhood of which are the most important dyeing establishments of Europe), who is engaged to transmit to us any new discoveries or methods which may there be brought out.

The friends and customers of the undersigned, some of whom have been such for nearly Thirty-seven Years, are aware of the great improvement and steady advance which has been made and sustained, and can bear witness that in the last few years many great difficulties have been overcome, so that in very many styles of Silk, Satin, Mérinos, &c., they dye and refinish very nearly (in some cases quite) to resemble new goods.

Especial effort and expense has been devoted to the Dyeing and Refinishing Satin and Taffeta Ribbons, and they are now enabled to do them in a style new in this country and altogether superior.

As a natural result of these extraordinary efforts and liberal expenditures, they believe themselves to be far in advance of all their competitors, and by strict unwearied perseverance, mean to continue so, assured that the community can readily discover merit, and will ever (as heretofore) sustain it.

LACE AND MUSLIN CURTAINS, CARPETS, RUGS, TABLE COVERS, &c., CLEANED AND RE-FINISHED. DAMASK AND MOREEN CURTAINS beautifully DYED. Also, RIBBONS, TRIMMINGS, GALLOONS, GIMP, &c.

CRAPE SHAWLS DYED in the most brilliant shades of Scarlet, Crimson, &c., or the more delicate and grave colors. Broche and Crape Shawls cleaned in the best manner.

SILK DRESSES AND GARMENTS CLEANSED SUCCESSFULLY EITHER RIPPED OR WHOLE. & KID GLOVES AND FEATHERS CLEANED AND DYED.

GRAND AND SQUARE
Piano - Fortes

ARE NOW CONSIDERED
THE BEST PIANOS MANUFACTURED;
HAVE REMOVED TO THEIR
NEW WAREHOUSES,
Nos. 71 & 73 East Fourteenth St.,

FROM THE MOST DISTINGUISHED ARTISTS

TO

STEINWAY & SONS.

New York, December, 1864.

The Piano-Fortes—grand, square, and upright—manufactured by Messrs. STEINWAY & SONS, have established for themselves so world-wide a reputation, that it is hardly possible for us to add anything to their just fame.

Having thoroughly tested and tried these instruments personally for years, both in public and private, it becomes our pleasant duty to express our candid opinion regarding their unquestioned superiority over any other Piano known to us.

Among the chief points of their uniform excellence are: Greatest possible depth, richness and volume of tone, combined with a rare brilliancy, clearness and perfect evenness throughout the entire scale, and, above all, a surprising duration of sound, the pure and sympathetic quality of which never changes under the most delicate or powerful touch.

This peculiarity is found exclusively in the "STEINWAY" Piano, and, together with the matchless precision, elasticity, and promptness of action, always characterizing these instruments, as well as their unequalled durability under the severest trials, is truly surprising, and claims at once the admiration of every artist. We therefore consider the "STEINWAY" Pianos in all respects the best instruments made in this country or in Europe, use them solely and exclusively ourselves in public or private, and recommend them invariably to our friends and the public.

We have at different times expressed our opinion regarding the Pianos of various makers, but freely and unhesitatingly pronounce Messrs. STEINWAY & Sons' Pianos superior to them all.
